Important Note for the students:

1. Learners are advised to attend the online counselling sessions regularly and participate actively in the sessions.
2. Learners should study the relevant blocks/materials before attending each online counselling session. They are encouraged to identify in advance the topics/concepts they wish to discuss or seek clarification on.
3. Learners must submit their assignments within the prescribed time, before submitting the examination form, as per the University schedule.
4. Learners are directed to join the online meeting at least 10 minutes before the scheduled time to ensure timely commencement of the counselling session.
