**Report of Seminar on Environmental Challenges and Sustainable Development at
IGNOU LSC - 2720, Lucknow Christian College, Lucknow**

Indira Gandhi National Open University (IGNOU), Regional Centre, Lucknow has organised Seminar on Environmental Challenges and Sustainable Development at IGNOU Learner Support Centre - 2720, Lucknow Christian College, Lucknow on **Monday, 3rd June 2024**. On this occasion **Dr. Reena Kumari**, Assistant Regional Director, IGNOU, Regional Centre, Lucknow, **Prof. N. S. Singh**, Principal of the college, **Prof. M. A. Khalid**, Environmentalist, **Prof. Dorris** and students were present. Dr. Reena motivated the learners for enrolment in programmes related to Environment as MSC in Environmental Science, MA in Environmental Studies, Post Graduate Diploma in Environment Sustainable Development, Post Graduate Certificate in claimant change, Certificate in Environmental Studies. She further discussed about simultaneous registration facility offered by IGNOU.

Prof. N. S. Singh welcomed the guests and students present in the seminar.

Prof. M. A. Khalid delivered the lecture with the help of Power Point Presentation (PPT) and explained the challenges related to Environment as pollution deforestation, melting of glaciers, water crises, fire in the Jungle and increased temperature in detail. Dr. Khalid discussed role of individual for planting the trees and preserving trees. He discussed about various types of flora and fauna.

Poster Making competition was organised and students participated with enthusiasm and explained the concept behind their posters on Environmental challenges.

On this Occasion plantation drive was organised and plants of fruits as Mango, Litchi, Cheekoo and Naarangi were planted. At the end of the programme Prof. Doris proposed formal vote of thanks.

- Senior Regional Director
