

SPOKEN TUTORIALS FROM FOSSEE (MHRD, GoI INITIATIVE) (VERY HELPFUL FOR PRACTICAL COURSES)

Spoken Tutorial is a multi-award winning educational content portal. Here one can learn various Free and Open Source Software all by oneself. Our self-paced, multi-lingual courses ensure that anybody with a computer and a desire for learning can learn from any place, at any time and in a language of their choice. All the content published on this website are shared under the [CC BY SA license](#).

The Spoken Tutorial project is funded by the National Mission on Education through Information and Communication Technology (ICT), launched by the Ministry of Human Resources and Development, Government of India. The use of spoken tutorials to popularize software learning and its use will be coordinated through this website.
